

Table 1. Comparison of Pre- Service and Post-Service

Aspect	Before Service (Pre)	After Service (Post)
Career Understanding	Don't understand yet, confused, and doubtful	Already understands the concept of a career and has clear career goals
Knowledge about the Self	Limited, not yet recognizing interests and personality	Recognizing strengths and the appropriate career direction
Attitude Towards the Future	Passive, lacks confidence, has no plan	Motivated, confident, starting to make a concrete plan
Career Information Needs	The high demand for information to understand future career prospects.	Has participated in services, understands the importance of career information
